

Wait On You

Eric Kneifel, Tom Taylor

BPM: 94 | Time: 4/4 | Key: G

[CHORD PRO FORMAT]

{comment: Intro}

[Em] [G] [Em] [G]

That it's [Em]all for Your [Am]glory and my
[D]good

{comment: Verse 1}

Sometimes I [Em]find my mind racing
After [C]all the things I want
[G]Lost in all the chasing
While the [Bm7]road keeps moving on
Lord [Em]help me to remember
That [C]You are all I need
When I'm [G]clinging to chaos in [D]my
anxieties

{comment: Chorus 2}

So I [C]wait on [G]You
The [Em]One who goes before me
Is [D]guiding me in truth
As I [C]wait on [G]You
You're[Em] using every moment
To [D]make me more like you

{comment: Chorus}

So I [C]wait on [G]You, my [Em]feet are
firmly planted
And You're [D]deepening my roots
As I [C]wait on [G]You, Lord [Em]help me sit
in stillness
And [D]rest in your pursuit - (I will [C]wait)

{comment: Tag}

I will [C]wait on [G]You, I will [Em]wait on
[D]you
Jesus help me [C]wait on [G]you
I will [Em]wait, I will [D]wait on [G]you

{comment: Verse 2}

I've been worried for my future
And all that I can't see
But the worries keep revealing
A lack in my belief
Though my heart is feeling restless
And lonely in despair
The truth about tomorrow is
You're already there

{comment: Bridge}

I [D]struggle to believe you're with me
[C]Everywhere I [G]go
But [D]what if all my detours are
[C]Actually the [G]road
'Cause Your [Em]path is marked with
suffering
And I've [Am]just misunderstood
