Verse 1

6
Sometimes I find my mind racing
4
After all the things I want
1
Lost in all the chasing
3
While the road keeps moving on
6
Lord help me to remember
4
That You are all I need
1 5
When I'm clinging to chaos in my anxieties

Chorus

4 6 1
So I wait on You, my feet are firmly planted
5
And You're deepening my roots
4 6 1
As I wait on You, Lord help me sit in stillness
5 4
And rest in your pursuit, I will wait

Verse 2

I've been worried for my future
And all that I can't see
But the worries keep revealing
A lack in my belief
Though my heart is feeling restless
And lonely in despair
The truth about tomorrow is
You're already there

Bridge

5
I struggle to believe you're with me
4 1
Everywhere I go
5
But what if all my detours are
4 1
Actually the road
6
'Cause Your path is marked with suffering
2
And I've just misunderstood
6 2 5
That it's all for Your glory and my good

Chorus 2
