{comment: Verse 1}

[G]You heard the [Am]cry from [C]your creation  
[G]You would re[Am]ply with a [D]cry of your [G]own  
The [G]voice of a [Am]babe [C]born in a manger  
A [G]lowly es[Am]tate so [D]far from [G]home  
[Am]You knew we'd [Em/B]stray  
From the [C]very be[D]ginning  
But [Am]came for us [Em/B]anywa[D]y

## {comment: Chorus}

[G]You were born so we'd be [Gsus]born a[G]gain  
[Em]Christmas morning changed [Emb6]everyth[Em]ing  
[C]The greatest gift, the greatest [G]love  
The world has ever [D]known  
[G]Oh, the majesty and [Gsus]myster[G]y  
[Em]The Heir of Heaven, the [Emb6]Prince of [Em]Peace  
[C]The Son of God, the Great I [G]Am  
Became the Son of [D]Man  
You were [C]born so we'd be [D]born [G]again (Intro)

## {comment: Verse 2}

The only life with no beginning  
Would bow to time to reach its end  
Through all our doubt  
God, you were mindful  
To come search us out to draw us in  
You took on flesh and you  
Made yourself nothing  
Hope came alive that day
