You heard the cry from your creation

The voice of a babe born in a manger

A lowly estate so far from home

But came for us anyway

Christmas morning changed everything

The world has ever known

6 6(b6) 6

The Heir of Heaven, the Prince of Peace

4 1

The Son of God, the Great I Am

You were born so we'd be born again

Verse 2

The only life with no beginning

Would bow to time to reach its end

Through all our doubt

God, you were mindful

To come search us out to draw us in

You took on flesh and you

Made yourself nothing

Hope came alive that day
